Number 1

Woman: What shall we do this weekend?

Man: Let's go watch a movie.

Woman: But we did that last weekend! Let's do something different.

Question: What will the man probably say next?

Number 2

Man: Hello. This is Ocean View Hotel. How can I help you?

Woman: I'd like to reserve a room for tomorrow night, please.

Man: Ok. Let me see... We have a double room with a mountain view.

Woman: Well, if possible, I'd prefer a room with a sea view.

Man: Certainly. We can offer you a single room with an amazing sea view.

Woman: Well, my husband will be with me, so we need a double room.

Man: I'm so sorry. All of our sea view double rooms are full.

Woman: Ok. I guess we'll have to take the double room you have.

Question: What will the woman probably do next?

Number 3

Man: What shall we buy mum for her birthday?

Woman: How about a box of chocolates?

Man: She's on a diet so let's get her something else.

Woman: What about a book that teaches people how to lose weight?

Man: That's a good idea. Let's buy her flowers, too. The local flower shop sells beautiful red roses and yellow sunflowers.

Woman: Let's get yellow ones as it's her favorite color.

Question: What will they buy their mother for her birthday?

Number 4

Man: We have the whole day to look around this historical town on our school trip.

Woman: We'll start by visiting the museum at 9 o'clock in the old part of town.

Man: Yes, and after spending four hours at the museum, it'll be time for lunch at the café there.

Woman: After a thirty-minute lunch break, we'll go next door to start the tour at the old castle and spend two hours there.

Man: Wait a minute. The guide book says we only need half that time to visit the castle.

Woman: Great! After that, we'll have an hour and a half of free time before we catch the bus back to school.

Question: What time will they catch the bus back to school?

Number 5

Woman: Our flight leaves at 8:00 PM. How shall we go to the airport?

Man: We can go by car, but it may be difficult to find parking.

Woman: The easier way is by taxi. We don't have to worry about parking, and it takes only 20 minutes.

Man: No, with the evening traffic, it will take double the time.

Woman: You're right. How about taking the express shuttle bus? It's probably faster than a taxi.

Man: Yes, but we have to buy the tickets beforehand, and now it's too late.

Woman: Ok... How about taking the subway?

Man: We don't want to change trains with our heavy suitcases.

Woman: I guess you're right. We should choose the easy way. After all, we're not in a hurry, and it doesn't matter if it takes forty minutes.

Man: Great! Let's do that!

Question: How will the man and woman go to the airport?

### Number 6

Woman: We need to buy food for the BBQ we're having this weekend.

Man: Oh yes, I saw that the supermarket has a special meat promotion today. We can get ten pieces of steak for \$30 and ten sausages for \$15.

Woman: That's great because there'll be ten people all together, so we'll need a lot of food.

Man: Let's get ten steaks and ten sausages, plus twenty bread buns at a dollar each.

Woman: Yes, let's do that, but I think we should buy two sausages per person as the sausages are small.

Man: I agree. After all, we don't want our friends to be hungry!

Question: How much will the man and woman spend?

"The New Punjab" is a restaurant run by a famous Michelin chef from the UK, who has even been on TV in a number of popular cooking shows!

The restaurant is decorated with statues of Indian gods and beautiful paintings, which makes you feel like you're sitting in a restaurant in India!

The waiters are friendly and they will recommend dishes to try. However, just be sure to tell them whether you prefer your food to be hot or mild.

I tried the Vindaloo as the waiters recommended it because it is a famous dish. I also ordered naan bread, which is made fresh to order in a clay oven. When my dish was served the smell made my mouth water, but when I tried the dish it was so hot that it made my eyes water! My mouth was on fire and I could feel my stomach burning from the green chili and red peppers! The dish was fiery and I could feel the sweat running down my face.

Even though it was delicious and flavorsome, next time I will order a milder dish as this one was far too hot for me.

I recommend "The New Punjab" as it has a great menu, is run by a famous Michelin chef and the food is served by friendly waiters!

Question 1: What is the main purpose of the woman's talk?

Question 2: How would you describe the dish the woman tried?

### Number 2

I'd like to thank you all for attending our school's 100th anniversary celebration.

Today is the 10th of January 2018, and on this day one hundred years ago, the school first opened its doors to give poor members of the community a free education so that they would have a better chance of finding jobs when they grew up.

Back then there were just two local teachers who were teaching fifty local boys in two small rooms.

Then, twenty years after the school opened, they started to allow thirty local girls to study here. This was because society changed as people realized that girls also needed an education.

Over the years, this school has grown in size and now in 2018, we have five buildings, two sports fields and a library. We also have over one thousand students who are taught by over one hundred international teachers.

I hope that the school continues to do well and here's to the next 100 years!

Question 1: In what year were girls allowed to attend the school?

Question 2: Which one of the following statements is not true about the school?
